Dear Sir,

This refers to the **Matrix Heat Recovery System** supplied by you through C D S & S on 1250 KVA D.G. set at our unit-4 power house. The pressurised hot water heat recovery system is designed to replace 70 KW electrical heater load of the paint baking system.

The total system is designed, supplied, erected and commissioned by your team successfully. The performance of the Matrix Recovery System is satisfactory.

Thanking you,

Yours faithfully
