THE TAJ GROUP OF HOTELS

Mumbai

2nd January 2001

TO WHOMSOEVER IT MAY CONCERN

M/s. Unidyne Energy Environment Systems Pvt. Ltd. have supplied 30 Nos. of boilers of different capacities for almost 20 number of Taj hotels situated in different parts of India.

All the units are working satisfactorily, and the after-sales service by M/s. Unidyne, is to our satisfaction. M/s. Unidyne has also displayed ample initiatives while fabrication and supply of baby boiler packages, where the boiler and heat exchangers are mounted on common base frame. Primary circuit is through the boiler and heat exchanger. The secondary circuit is through hotel water network and heat exchanger. This boiler has been used wherever hotel water hardness was higher.

For INDIAN HOTELS CO. LTD.

K.D. DEODHAR
